CAREER EXPERIENCE

Finance Intern, Cosmo First Ltd., Delhi, India

January 2024 - August 2024

An India-based global player in specialty films, packaging, and advanced materials.

- Conducted market and industry research across 5+ sectors, identifying growth opportunities and competitive risks that informed client strategy.
- Analyzed performance of 20+ listed and unlisted companies, providing insights that supported investment and expansion decisions.
- Collaborated with a cross-functional team to design 10+ client-ready presentations, ensuring structured and compelling delivery of recommendations.
- Managed and analysed risk and ESG assessments that flagged compliance gaps and helped mitigate potential financial exposure.
- Enhanced data-driven storytelling by applying advanced Excel and visualization techniques, improving clarity of insights for decision-makers.

Company Clinic, Blynk drinks, Dublin, Ireland

September 2025 - October 2025

A health-focused beverage brand combining performance nutrition with lifestyle positioning.

- Carried out comprehensive market research and developed an international expansion strategy for Blynk Drinks into the Nordics, UAE, and additional target markets.
- Presented a detailed roadmap and actionable recommendations to support Blynk Drinks' international scaling, including phased entry plans and risk-mitigation strategies.
- Investigated competitive landscapes, key suppliers, and market entry opportunities across multiple regions to inform strategic decision-making.
- Assessed food and beverage policies, regulatory frameworks, and compliance requirements relevant to Blynk Drinks' global expansion initiatives.
